

A photograph of a rock climbing route on a grey limestone cliff. A red dashed line traces the route, starting from a top point marked 'R4' with two 'x's, going down to 'R3' with two 'x's, then curving left and down into a dark cave opening. From the cave, the route goes down the left side, marked with 'x' and 'p' symbols. The cliff is sparsely vegetated with green shrubs and yellow flowers. The sky is not visible.
